

# Member Agreement

(Co-Working, Mercado, Display)

The Hub is intended to support member businesses by providing a wide range of services as described in the Program Section. In order to provide the best possible service and support there are certain criteria that members must meet:

1. Be a for-profit business.
2. Be engage in a business enterprise that is not illegal in the City of Aztec.
3. Complete a member application.
4. Obtain a business license from the City of Aztec (Not required for co-working space).
5. Read and agree to policies as outlined in the Member Handbook (available at The Hub) including but not limited to:
  - As a business environment The Hub does not allow animals, except service animals; drugs, or tobacco use, and firearms
  - Respect other businesses' privacy including confidential business information, virtual privacy, and personal privacy
  - Be responsible for the behavior of customers, clients, and guests.
  - Use WIFI for business purposes. Not allowed: spamming, downloading illegal or material that you should know is illegal, or heavy downloading that affects the quality of internet for other users.
  - Be responsible for any damage to the building or equipment by themselves, business clients, or their guests
