Commissioner McClure stated that the issue is if it's legal to put out garage sale signs or not was brought up to her by citizens. She mentioned that garage sale signs fall under Temporary Signs in Aztec City Code. Commissioner McClure mentioned how most citizens in Aztec did not know about the garage sale sign ordinance and that this workshop is for the public to express how they feel about this area of the code. She also mentioned that there is a handout that is a suggestion for a garage/yard sale code that Staff has come up with. Roshana Moojen stated that another option would be to take out the word Non-Commercial in sign code 20-2-5 section 11 and if staff has a concern about sign clutter they can choose to put a lower limit on how many signs are allowed.
