Mayor Burbridge subsequently identified the parties and City Staff. Mayor Burbridge then asked Commission if they would accept the parties and they did. She reviewed the procedures and then asked if any members of the Commission had a conflict of interest, bias, or engaged in ex parte communication, there were none. Mayor Burbridge then swore in the parties and reviewed the Order of Presentation.

Utility Director Delain George mentioned that this is a request for waiver to allow a body art establishment to be located at 111 W. Chaco in Aztec. She mentioned that the reason the request is before commission is because under code no body art establishment should be located within 300 feet of a private or public school or church or residence unless waived by City Commission. Finding of facts were reviewed and there was an amendment to the applicant name Michael Anderson to Michael Morrison.

Michael Morrison, Applicant for the shop mentioned that he will be offering services for free for hate or gang tattoos and he would like to take one day out of the month to teach high school students the art of tattoos.
