A. Aztec Sparkles

Project Manager Ed Kotyk explained that this is the fourth year for the Aztec Sparkles Event. Ed asked Commission what they would be willing to do as far as a lighting contest and explained what we have done in the past. The City has received a request that individual residents be allowed to participate in the contest and not only businesses. Staff does not feel like we should offer a utility credit but instead offer smaller award amounts and more winners, one business and one individual each week. We will also allow citizens to vote for their favorite online and on paper. Staff wants to encourage people to drive around town. Plaques will be presented to each winner at a Commission Meeting in January. Commission was on board with the idea and like the idea of involving the public.

II. ADJOURNMENT
