- The City Manager introduced board member Randy Hodge

- The golf course provides regulation golf, par three golf, disc golf and foot golf
- They work with the schools by providing a place for the golf teams to practice and also by helping youth learn life and job skills with a mentorship program

- Since FY15 The City has incurred a loss of \$322,450 on the golf course

- When the City started with the golf course the intent was to look at annexing out to the golf course that would have been City driven and this would have been problematic trying to get everyone to buy in so at that time it was not feasible
- Has the County been approached, need to see what they say
- They already subsidize the one in Kirtland
- Farmington in subsidizing their course also
