

Solar Field

The City has contracted to Guzman Energy to develop a solar field for the City of Aztec. The company will own and operate the solar field for seven (7) years at which time the facility will then be owned and operated by the City of Aztec. The solar field will consist of a 5 to 6 acre facility located at the Swire-Townsend Refuge in the north central portion of the property outside the flood zone. To learn more about the installation: <http://www.rbisolar.com/solutions/ground-mount-solar/>

Project is complete and operational.
