The use of sole source purchases shall be limited only to those specific instances, which are totally justified to satisfy compatibility or technical performance needs.

STATEMENT OF NEED

My department's recommendation for sole source is based upon an objective review of the product/service required and appears to be in the best interest of the City. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favors or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.

Refer to the attached sole source justifications as prepared by our department, to the attached review of available products/services and to my completed Purchase Requisition.
