Subject: Sole Source Request for the Purchase of: Annual licensing & support of ADG Software

Requested Vendor: ADG, Inc., Denver CO

Annual Cost Estimate: 13000 Purchase Term: July 2016

Sole Source purchases are defined as clearly and legitimately limited to a single supplier. Sole source purchases are normally not allowed except when based upon strong technological grounds such as operational compatibility with existing equipment and related parts or upon a clearly unique and cost effective feature requirement. The use of sole source purchases shall be limited only to those specific instances, which are totally justified to satisfy compatibility or technical performance needs.

*Sole Source: only one vendor possesses the unique and singularly available capability to meet the requirement of the solicitation.

**Procurements of items for which the City has established a standard by designating a brand or manufacturer or by pre-approving via a testing shall be competitively bid if there is more than one vendor of this item.

STATEMENT OF NEED:

My department's recommendation for sole source is based upon an objective review of the product/service required and appears to be in the best interest of the City. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favors or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.

Refer to the attached sole source justifications as prepared by our department, to the attached review of available products/services and to my completed Purchase Requisition.
