

Residential Cart Set-Out Requirements for City of Aztec

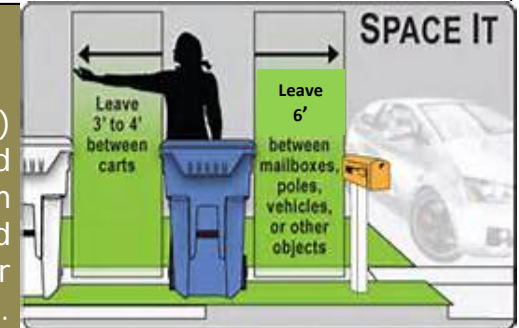

As an ongoing effort to make our City a safe place to walk and collection services more efficient carts must be placed in the gutter, with wheels against the curb. Carts should be at least three feet (3') apart and at least six feet (6') from parked vehicles. Carts should **NEVER** be placed on the sidewalk. All collections made by the contractor for other than a qualified physically disabled resident, shall be made at curbside from the streets, except where special circumstances warrant otherwise, and where approved by the city. These are all requirements in Aztec Municipal Code Section 21.

REQUIRED PLACEMENT

Always place carts in gutter with wheels against the curb.

Leave three feet (3') between carts and six feet (6') from mailboxes, parked vehicles and other objects.

Please be a courteous neighbor and put your carts away within 24 hours of collection!

STORE CARTS

A minimum of ten feet (10') from property line.

NEVER

Do not place carts on the sidewalk. Please be considerate of people who use the sidewalks.
