# Service Updates and Reminders

## Recycling at Your Home

Many of you have asked for curbside recycling. The Aztec City Commission has heard you and approved a residential curbside recycling program. You will have a \$6.68 recycling and a \$14.00 trash charge your utility billing, for one cart each.

You can choose to start recycling at any time! All you have to do is call Waste Management at (505) 327-6284 to request a cart be delivered to your home. It's that easy!

Please note, the recycling cart may **not** be used for household trash. Only recycle program materials, listed on the reverse side of this page. Remember, when in doubt, throw it out!

## Free Landfill Disposal for Residents

- Dispose of up to six (6) loads of solid waste per year, per household, during regular business hours at no cost.
- Up to 1,000 lbs. per load. Excess weight will be subject to gate rate. Customers may use one of six allowed loads for the excess weight, if unused loads are available.
